

ANDOVER RECYCLES

- To save money by avoiding fees imposed for incineration of rubbish
- To protect our environment by keeping toxins and other materials out of the NESWC waste-to-energy facility and ultimately out of our source waters which we use to produce our drinking water.
- To save resources by reusing raw materials

MERCURY RECYCLING DROP-OFF

You may bring mercury thermometers, thermostats or any elemental mercury in your household to the Water Treatment Plant or the Board of Health (located in town offices). Mercury thermometers can be exchanged for a new digital thermometer.

BANNED FROM YOUR RUBBISH:

- Lead acid batteries (vehicles & boats)
- Leaves & yard waste
- TVs & computer monitors
- Appliances (including ACs & water heaters)
- Aluminum, steel/tin, glass containers
- Recyclable plastic containers
- Household hazardous waste
- Recyclable paper & cardboard

Residents are responsible for the disposal of appliances. Check local advertisements and the yellow pages for names of vendors who collect and dispose of such items. If new, have retailer remove old appliance when your new one is delivered.

**FOR RUBBISH COMPLAINTS
CALL BFI AT 1-800-442-9006**

**FOR RECYCLING COMPLAINTS
CALL WASTE MGMT AT 1-800-562-0321**

WHAT YOU CAN DO TO HELP SUPPORT RECYCLING

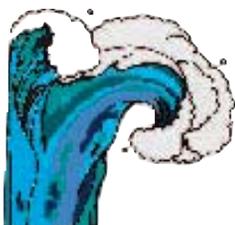

- ✓ Read and save this pamphlet.
- ✓ Purchase Products whose packaging is made WITH recyclable materials, especially "post consumer waste" materials.
- ✓ Please take the time to collect, organize and dispose of recyclable materials.
- ✓ Know what household products are hazardous and dispose of them properly.

**ANDOVER RECYCLING COMMITTEE WEB SITE AT
www.andoverma.gov/recycle**

Town of Andover
Department of Public Works
Rubbish/Recycling Calendar
2004-2005

Did you know that...
One ton of recycled paper saves
24,000 gallons of **water**.
Please help us to conserve this
precious resource and recycle all
the paper materials you can.

ECRWSS
Residential Customer

For Additional recycling information

- Call Waste Management Inc. at 1-800-562-0321
- Dial 1-800-800-6881 for detailed recorded information
- Log on to the Andover Recycling Committee web site at www.andoverma.gov/recycle
- Call the Department of Public Works for information about household hazardous waste & CRT/Electronic recycling events or any miscellaneous questions you might have at 978-623-8350.

Printed on Recycled Paper.
30% Post Consumer Waste

SOLID WASTE REDUCTION HINT:
Remember to look for the recycling symbol on items you purchase. This helps to "Close the Loop" and increases the demand for recycled materials.

HOUSEHOLD HAZARDOUS WASTE (HHW):

HELP REDUCE TOXIC EMISSIONS! When incinerated, certain products and materials can release hazardous toxins into the environment. Please do your part to keep the items listed below out of your rubbish and out of the **NESWC waste-to-energy processing facility**.

It is illegal to discard the following materials in your rubbish:

- Pressurized cans
- pool chemicals

- photo chemicals
- pesticides
- rodent poisons
- fertilizers
- toxic cleaning products
- herbicides & weed killers
- stains & varnishes
- oil & lead based paints (**but not latex paints**)
- solvents
- thinners
- waste oil
- antifreeze
- kerosene
- unidentified chemicals
- lead or acid batteries
- mercury batteries
- ni-cad batteries
- fluorescent tubes
- energy-saving lightbulbs,
- elemental mercury
- thermometers and thermostat switches and flowmeters containing mercury
- fire extinguishers

WHAT TO DO

- ✓ **Save** these materials in your basement or garage and take them to the town's household hazardous waste collections on September 25, 2004, and May 14, 2005 from 9 a.m. to 1 p.m. at West Elementary School on Beacon Street.
- ✓ **Do not bring explosive or biological (such as medical waste) or radioactive materials, tires, latex paints, propane tanks, or alkaline batteries. Alkaline batteries and latex paints may go in your regular trash. Dry latex paints by leaving their covers off until they are completely dry.**
- ✓ For more information about household hazardous waste, call the Department of Public Works at 978-623-8350.

WHAT TO DO WITH BATTERIES:

- **Alkaline batteries** (AAA, AA, A, C, and D cells) should go in your regular rubbish.
- **Rechargeable batteries** of all types should be recycled at the Board of Health or Radio Shack.
- **Vehicle batteries** contain lead and must be recycled. Take them to an auto service center or a HHW/CRT collection.
- **Button batteries** (from watches, hearing aids, cameras, etc.) contain mercury. **Do not put them in the rubbish.** Recycle them at a HHW or CRT collection or at the button battery collection sites listed below.

Button Battery Collection Sites: Andover Photo, Town of Andover Board of Health, Audio Hearing Center, Senior Drop-in Center (Old Town Hall), Memorial Hall Library, Photo U.S.A., Water Treatment Plant.

COMPUTERS, TVs and MERCURY:

Computer monitors and TVs, which contain cathode ray tubes (CRTs), are banned from your trash because of their high lead content. **What to do:** Take your computer systems including peripherals, TVs, audio and video electronic equipment including VCRs and stereos, fluorescent tubes and compact fluorescent bulbs, microwave ovens, any recyclable batteries, and any items containing mercury to one of Andover's three CRT/TV & electronic recycling events.

The next collections will be on Saturdays, September 18, 2004, May 21, 2005 and June 18, 2005. The recycling collections are open for **Andover residents only** and are held at the West Middle School parking lot on Shawsheen Road from 9:00 a.m. to 1:00 p.m.

WASTE MOTOR OIL COLLECTION:

When: First and third Saturdays of each month

Where: North Andover DPW Garage
384 Osgood Street
Telephone: 978-685-0950

Cost: \$.50 per gallon

Hours: 9:00 a.m. – 12:00 noon

LEAVES & GRASS CLIPPINGS COMPOSTING:

Leaves and **grass clippings** can be taken to the compost site on High Plain Road (Bald Hill area). The site is open year-round for walk-ins, and as announced in the local newspapers for drive-ins.

Leaves are collected from the curbside twelve weeks per year as announced in the local newspapers. In the fall we will collect leaves the five weeks **before** Thanksgiving week, **and** the week following Thanksgiving week. In the spring we will collect leaves the six weeks **before** Memorial Day weekend.

What to do: On scheduled collection weeks, place leaves curbside by 7:00 a.m. on your regular trash collection day in trash barrels, boxes, brown paper leaf compost bags, or **clear** plastic bags.

Did you know that...

You can make 20 aluminum cans out of recycled materials with the same amount of energy to make 1 aluminum can from virgin materials.

Printed on Recycled Paper.
30% Post Consumer Waste

ANDOVER'S CURBSIDE RECYCLING

PAPER; GLASS & METAL CONTAINERS; PLASTICS (#1 THRU #7); ALUMINUM; & CORRUGATED CARDBOARD

Recyclable items cannot be put in your regular rubbish but are collected **curbside** every other week, on the weeks designated **WEEK 1** or **WEEK 2**. Street names and their designated week numbers and trash collection days are listed inside this pamphlet. Recyclables will be collected on the same day as the trash collection.

WHAT TO DO

- ✓ Place glass and metal containers, aluminum materials, and plastics on bottom of blue recycling bin.
- ✓ Place paper materials in brown paper bags or bundle with string, and place on top of the other recyclables or stack next to the blue bin. Corrugated cardboard should be broken down and folded into 2-ft. by 2-ft. pieces then tied or taped together and placed next to the blue bin.
- ✓ Place recycling bin and other recyclables at the curb **by 7:00 a.m.** on your pick-up day.

PAPER: Clean paper, including newspapers, magazines, catalogs, junk mail, envelopes, paper bags, phone books, office paper, computer paper, file folders, fax paper, stationery, all books (remove hard covers), spiral notebooks, boxboard (such as cereal, cracker and shoe boxes – remove liners).

Place in paper bags or bundle with string.

 **NO** plastic bags, plastic wrap, wax paper or foodstained paper.

GLASS: Clear, green and brown. **Please rinse before recycling.**

 **NO** dishes, windows, ceramics, light-bulbs, mirrors, Pyrex or broken glass.

METAL: Steel/tin cans and containers, and any materials made of aluminum. **Please rinse and crush before recycling.** Caps, lids and labels are OK.

PLASTICS: All #1 thru #7 plastics. Numbers are usually stamped on bottoms of containers. **Please rinse (especially #6 styrofoam food containers), and crush in order to save space.**

NO plastic bags or wrappings or styrofoam packaging peanuts.

CORRUGATED CARDBOARD: Please break down, flatten and fold boxes, cartons and other pieces of cardboard into 2-ft. by 2-ft. pieces, then tie or tape them together and place next to your recycling bin.

DO YOU NEED AN ADDITIONAL RECYCLING BIN?

RECYCLING BINS ARE AVAILABLE FROM THE DEPARTMENT OF PUBLIC WORKS AT THE WATER TREATMENT PLANT. JUST STOP BY AND PICK ONE UP. ANY QUESTIONS CALL 978-623-8350.

Did you know that...

One tree can filter up to 60 pounds of pollutants from the air each year, and one ton of recycled paper saves 3,700 pounds of lumber as well as 10,401 kilowatts of electricity.
